#### Still Undecided.

It is yet to be demonstrated that a balloon coming east from the Pacific coast has the Los Angeles Limited beaten to a frazzle. The gas car appears to have a tendency to play around in the eddies caused by the mountain ranges and thus make the captains of FRIDAY NIGHT, FEB. 26TH the craft late for the supper he has ordered in Boston.

A successful trip of that sort would cause the man who is eternally remarking on the smaliness of the world to remark some more.

He would at once begin speculating on the possibilities of living in Los Angeles and doing business in Boston who sets out with a late start and a heated imagination for his happy west ern home is liable to find himself in the morning dangling from one of the desolate mountain peaks that stick up navigation at present lacks some of the qualities of exactness.
